

Which Way, God?

Ern Halliday Recreation Camp

"The LORD is my shepherd, ...He guides me
along the right paths for his name's sake" -Ps 23

At Cornerstone we will be thinking about guidance 'cause it is one of those big questions for Christians. What does God want us to do with our lives? How do we work out what is right and wrong, wise and unwise as we face choices in life. Am I on God's path for me? What are the big or little decisions? God led Moses with a Burning Bush, Gideon with a fleece, how does God lead me?

If you've ever asked these type of questions join us this year for Cornerstone 2010. Register now for Cornerstone Day or Cornerstone Weekend.
